APPLICATION

Elk Management Guidelines in Areas with Brucellosis Working Group

Name	
Mailing Address/Residence	
Phone	
Email	

Please answer the following:

Please describe your interest in elk management in areas with brucellosis.

Please describe your familiarity with Montana's elk management and/or livestock industry. Please reference how you can effectively provide input into elk management that provides for continued elk presence and minimizes risk of brucellosis transmission between elk and livestock:

Please describe your experiences working collaboratively toward successful resolution(s) of contentious issues:

On a scale of 1 – 10, with 1 being “strongly oppose” and 10 being “strongly support”, how do you view current elk management as it relates to brucellosis? This question is being asked to assist in providing a balanced representation of perspectives.

(Strongly Oppose) 1 2 3 4 5 6 7 8 9 10 (Strongly Support)

Please check all that apply to you:

- ☐ Hunter
- ☐ Non-consumptive wildlife enthusiast
